

Audio Delivery Specifications

oskarvizan.com

Mixing

Files Format: .wav

Sample Rate: 44.1kHz or 48kHz (keep it at the source sample rate)

Bit Rate: 24bits

1. Export/Bounce your mix, we will use this as a reference.
2. When exporting each individual track of your song, make sure you remove all unnecessary EQs or any other FX plugins (reverb, compressors etc) on its individual channel as well as any processing that you might have in your main master/mix bus. Also make sure that "normalising" is off.
 - Keep **on** those plugins that you used to craft/design an individual sound.
 - If you aren't sure, you can always send us two versions of it. Just add to their name dry (no fx) or fx.
 - Bypass or remove all other plugins that you used to mix the track.
 - For vocal tracks, please also send us an unprocessed copy (dry).
 - For drum tracks, please export/bounce each sound individually ie. (Kick, Snare, HiHats, Tom etc..) whenever possible.
 - Export all of the tracks starting from bar 1 of the song.
 - Make sure you include any necessary automation **on**.
3. Make sure all the individual tracks do not clip (**red** showing on level meters). Keep the signal below -1/-2dBs.
4. Label all the tracks you export clearly ie. (Kick, Bass, Keys 1, Keys 2, Bvs 2, Guitar etc..)
5. Once you have all the files ready to deliver please use wetransfer.com to send them to us at: mixing@oskarvizan.com
6. If you have any questions do not hesitate in contacting us at: mixing@oskarvizan.com

Once we receive your files, we'll check them to make sure all is ok and nothing is missing. We might need you to send a different version of a particular individual track/s if we find any issue with it.

Mastering

Files Format: .wav

Sample Rate: 44.1kHz or 48kHz (keep it at the source sample rate)

Bit Rate: 24bits

1. If you have a master you had done please send it as a reference.
2. Remove all the insert fx that you might have in your mix/master bus.
3. Make sure your mix doesn't clip (red showing on level meters). Keep the signal below -6/-5dBs.
4. Turn normalising off when exporting the song.
5. Once you have all the files ready to deliver please use wetransfer.com to send them to us at: mixing@oskarvizan.com
6. If you have any questions do not hesitate in contacting us at: mixing@oskarvizan.com

Once we receive your mix, we will check it and If we find any major issue/s we might ask you to send us a revised mix with the necessary adjustments.

Revisions

Sometimes you might want to change something or fine tune the mixes/masters we send you.

We offer 3 free of charge mix or master revisions. If you need any more, a fee of £10 (per revision) will be added to your final bill.

Payments

Upon receiving your files, an invoice will be sent for half the agreed fee. Payment of this first invoice is required before work will begin on your song/s. Once you are happy with the mix and/or master we will send you a second invoice with the final/remaining balance.

We will need your full name and address to properly invoice you.

We accept payments via bank transfers and PayPal. (Details on invoice)
